★ BENEFITING AMERICA'S HEROES ★

Interested in becoming a Hero Hustle Sponsor?

The proceeds of the Hero Hustle 5K go to the Kruid Charitable Foundation, a 501c3 organization that inspires and empowers veterans and their families, and other heroes in need. In the past 6 years, this race has raised more than \$80,000, thanks largely in part to our business and community sponsors. The beneficiaries of the 2022 race will be: **TAPS (Tragedy Assistance Program for Survivors), PTSD Foundation of America, and Mission 22.**

DBK is the only general contractor in the nation certified as a Purple Heart entity, and we seek to enrich the lives of men and women who have served our country.
